Rapid Naming

Form B

Based on Catts (1993)

Show child example page. Say: *What [objects/animals] do you see on this page?*

You will be saying the names of some [objects/animals] as fast as you can. When I say go, start here and name this row before you go on to the next row. Name the [objects/animals] in each row as fast as you can until you get to the end. Try not to skip any [objects/animals]. Go.

Instructions: Start timer as soon as you say go. Stop timer when child finishes saying last word. Record time to 2 decimals. Score is invalid if more than 2 errors (excluding self corrections).
